

Shane Carter: Program Director

Shane has taught English in Korea, Taiwan, Japan, the United Arab Emirates, the USA, and Kuwait. He has been a head teacher, level coordinator, and program director. He has a Master's degree in Applied Linguistics from Ohio University, and a BA in English from Ohio State University. *"I enjoy travelling, reading, and meeting interesting people from all over the globe. After spending more than ten years living abroad, I have settled in Terre Haute. Working at INTERLINK is great because, with this job, the world comes to my front door. I hope to one day travel the world, but for now I am happy to spend time with my son, David, who is a very imaginative six year old."*
